

CLARITY MOBILE PAY

A fast, easy and secure way for your employees to pay for eligible benefit account expenses

WHAT IS CLARITY BENEFIT SOLUTIONS MOBILE PAY?

Mobile payments are quickly becoming more prevalent as consumer demand for contactless transactions continues to grow. Clarity Benefit Solutions Mobile Pay allows you to meet this growing demand by enabling your employees to pay for eligible benefit account expenses, both in-store and online, using their digital wallet app on their mobile device.

HOW DOES IT WORK?

To take advantage of Clarity Benefit Solutions Mobile Pay, your employees simply:

- 1 Open their digital wallet (Apple Pay, Google Pay, or Samsung Pay)
- 2 Enter their Clarity Benefit Card details
- 3 Accept the Terms & Conditions
- 4 Complete the authentication process, as prompted
- 5 Begin using their digital wallet to pay for eligible expenses

WHAT ARE THE KEY BENEFITS OF CLARITY BENEFIT SOLUTIONS MOBILE PAY?

- Your employees have access to a modern, convenient and secure contactless payment option for benefit account purchases.
- Uses tap-to-pay technology, which is more reliable and secure than other forms of payment. Plus, mobile devices often provide a layer of biometric authentication, resulting in safer transactions.
- Helps you promote healthy and hygienic behaviors as it eliminates the need for employees to touch payment terminals or pass their Clarity Benefits Card back and forth with cashiers.
- Your employees can say goodbye to the hassle of having to carry their Clarity Benefits Card with them. Their mobile device is all they need to make eligible benefit account purchases.
