

DIRECT BILLING SIMPLIFIED

Focus on growing your business and let Clarity Benefit Solutions do the rest. Employees on a leave of absence or retirees on your retiree benefits plan present unique challenges, mainly because premiums cannot be deducted from paychecks. Our direct billing services make it simple for you to keep administering benefits for any employees who aren't currently on your payroll. These services are billed directly to the recipient and are a great way to offer non-healthcare benefits, such as dependent care flexible spending accounts, disability benefits, and life insurance.

WHY USE CLARITY FOR DIRECT BILLING?

- ✓ Reduce manual administrative work
- ✓ Better participant experience
- ✓ Reduce vendor management
- ✓ Provide a simple, non-intrusive way to collect payments
- ✓ Increase revenue retention
