### **A NEXT-GENERATION INVESTMENT EXPERIENCE**

Clarity Benefit Solutions delivers a new and modern approach to HSA investing that allows you to personalize your investment journey to fit your unique needs and experience level. With the WealthCare Saver investment solution, you can choose from three different investment models – Managed, Self-Directed and a first-of-its-kind Brokerage option – all of which are designed to help you work toward their long-term investing goals. Best of all, it's fully integrated with a Clarity HSA, which means you can manage all aspects of your HSA, including your investments, from a single portal.

### THREE DIFFERENT MODELS ENSURE **A PERSONALIZED APPROACH TO INVESTING**

#### **MANAGED**

Designed for novice investors who prefer to have our advisor tool automatically select and rebalance investments on an ongoing basis in accordance with their age and/or risk profile. This account type delivers a “do-it-for-me” approach to investing.

#### **SELF-DIRECTED**

Designed for intermediate investors who have the desire to self-select from a menu of monitored investment options covering multiple asset classes to diversify their portfolio, and then rebalance their portfolio manually. This account type provides a balance between do-it-for-me and DIY approaches to investing.

#### **BROKERAGE**

Designed for adept investors who desire to perform advanced research and trading across hundreds of individual stocks and exchange-traded funds (ETFs). This account type offers a hands-on, DIY approach to investing.
